WELCOME HOME DAY THURSDAY, JUNE 12 PLANS COMPLETE FOR BIG EVENT

ONTARIO WILL BE HOST TO ALL THE WEST END ON NEXT THURSDAY

Planned to Close Everything on That Day and Make It One Grand Celebration for Our Soldier and Sailor Lads.

Plans for the West End Welcome Home Day for the soldier and sailor boys from camps and from overseas are practically complete and the committees in charge are arranging the many details that the day may be a success from every point of view.

Ontario city is to be host for the day with all towns of the West End joining in to make the welcome home one long to be remembered. Upland citizens and her famous band will attend the big event, the band giving its usual Thursday night concert in Ontario instead of Upland.

In the morning there will be the parade of returned soldiers, Red Cross, and other war organizations, while overhead the flying circus from Rockwell Field will stage a varied assortment of stunts.

In the afternoon Euclid avenue from A street north to Eighth street will be turned into a race course while amateur automobile drivers contend for cash prizes. Motorcycle races will also be run.

In the evening the big events of the day are to be staged, for not only will the Upland band provide one of its famous concerts, but a street dance when "ma" and "pa" and all the young folks are to join in shaking their feet in a welcome to the boys. A complimentary dance for service men is to be given by Every Girls club and altogether the welcome home to the boys will be one they'll remember for many a day.

All Service Men are expected to meet at the fire hall at 8:30 on Welcome Home Day. The men will drill for a short time before going to Ontario in autos. They will be the guests at the luncheon after the parade. The mothers and their families expect to eat together on the Chaffey lawn.

WELCOME HOME DAY, THURSDAY, JUNE 12TH, 1919

As the people of Ontario have requested Upland and other neighboring communities to participate with them, Thursday, June 12th, in giving a rousing Welcome Home to all the boys who have been in the service of the United States during the late war, I would request that the citizens of Upland cooperate with our Ontario friends on that day in every way. Let every one take their basket lunch to the Chaffey High School grounds and spend the whole day in welcoming home the boys of the West End. Dinner will be provided for all Service Men.

I would further request that all places of business in Upland be closed on that day.

Let us all work together, to make the day a grand success.

A. H. JOHNSON, Mayor.

FARM ADVISOR TO GIVE ADDRESS HERE

Robert W. Hodgson, farm adviser of Los Angeles county, is to speak at the open meeting of the chamber of commerce to be held in the club rooms on June 17. Mr. Hodgson is to talk on summer cover crops and the June drop, which is probably one of the most interesting subjects to orange growers. Mr. Hodgson has done a great deal of work in investigating the conditions relating to the June drop during the past three years. Every rancher in the district, although he is not a member of the chamber of commerce, should attend this meeting. Your chamber is doing all it possibly can to advance the interest of each and every industry in this section. The citrus industry is one of our main industries and its success is of great importance. Mr. Hodgson has just recently been made farm adviser of Los Angeles county and the chamber is very fortunate in securing his services on this occasion. Mr. Rancher, be sure and come out and spend the most profitable hour of the year. It means money to you.

The committee in charge of the open meeting for Tuesday evening, June 17th, is composed of E. W. Paul and G. A. Hanson.

Chaffey band is in Azusa today assisting in the military drills of the Citrus Belt High school.

A reception was tendered the young married women of the Presbyterian church by the Ladies' Aid Tuesday afternoon. About 25 guests were present and the hostesses, Mrs. J. F. Hamilton, Mrs. H. C. Kennedy, Mrs. Nellie Hoffman, Mrs. Love, Miss Love and Mrs. Thos. Hutton, served delicious ice cream, cake and punch. The Rev. R. C. Stone gave a very interesting address on the New Era Movement, and a delightful social hour was enjoyed.

Mr. and Mrs. J. F. Hamilton and family moved to Los Angeles to day to attend the wedding of Mr. Hamilton's cousin, Lieut. Francis Marion Smith, U. S. N., to Miss Daisy Olaf Wilson at the West Adams Methodist Episcopal church, which will be celebrated this evening. The ceremony at which the Rev. Byron H. Wilson, father of the bride, will officiate, will be a naval one. Wright Hamilton being one of the ushers, all of whom will be in uniform of the U. S. Navy.

Mayor Johnson was in Los Angeles Wednesday, on business.

Mrs. Albert Teague left last Saturday to attend the wedding of her granddaughter, Miss Ruth McCampbell, to Edward Perkins, which took place on Sunday at Fillmore. Mrs. Teague will visit friends for a few days before returning to Upland.

Mr. and Mrs. T. J. Cromer had as their house guest over the week-end, Miss Emma Boyd of Long Beach. On Sunday Mr. and Mrs. T. J. Noggle of Pomona were dinner guests of Mr. and Mrs. Cromer.

LIBRARY NEWS

The monthly report of the librarian shows a total circulation of 1604. Of this 637 is credited to the county free library and 967 to the city. 134 magazines, 16 pamphlets circulated. 34 members registered, making a total of 378. 66 books were accessioned, 11 of which were volumes of magazines bound; 14 books withdrawn, leaving a total of 3700. Rebound books, 31.

After a month of make-shift, the front doors have been fixed so they now swing clear through, making a much better door for a public building.

The first of June begins the sixth year of service to the public of the present librarian. The annual meeting of the California Library Association will be held at Del Monte again this year. Miss Sikes will have charge of the library during Mrs. Manker's absence.

FATHERS AND SONS TO ENJOY PICNIC

BOY SCOUTS FROM ALL THIS DISTRICT TO GATHER AT CHAFFEY HIGH

Baseball Game, Swimming and Other Athletic Sports Will Be Indulged in. Talks Will Be Given by Speakers.

The Boy Scouts from all the troops in this district are to meet on the Chaffey grounds for a get-together and social afternoon, on Saturday of this week. The boys may gather at 2:30 in the afternoon. The older boys are planning a ball game to begin at 3. This is to be played by a selected group from the different troops. The younger boys will have other games to try their skill at the same time. The time until 5 o'clock will be spent in games. At five all are invited to the plunger. Mr. Fred Clapp will be in command there, the swimming instructor in Chaffey. He will be assisted by Mr. Doncaster Humm, a life saving instructor for the Red Cross. There will be opportunity given for every boy to get some personal instruction in swimming. Mr. Humm has already visited most of the Scout troops and given talks about swimming and life saving. The boys are invited to ask questions at the Saturday meeting and get all the information possible.

At half past six the fathers of the boys are to be ready to meet the boys for a basket supper on the lawn. Every father should make it possible for himself and his son to be present at this meeting. After the meal Mr. Fred Wilding will speak to the boys and their fathers about developing more interest in band music. Plans will then be discussed concerning summer camps and trips for the boys. The boys may then put on some special Scout tests if the evening is not too dark by that time, and then for home. Any one who has attended the Scout meetings may come. Juniors as well as the members who have passed the tests. Come at 2:30, Saturday afternoon.

ELECTION CALL FOR SCHOOL BOND ISSUE

On Friday, June 27th, the voters of the Upland school district will decide whether or not bonds in the sum of \$25,000 shall be issued that numerous improvements in school conditions here may be made.

The money is to be used to erect a new school building at 18th street, to build a new building on Campus avenue north of Twelfth street for Mexican children, and to build an addition to the Tenth street school. The addition to the Tenth street school is to be along the pergola plan, the pergola extending along the entire north side, or rear, of the building. During rainy weather the children can get their exercise at recess time beneath the pergola, as well as enjoy the shade during the hot summer days. Strictly sanitary toilets for the Tenth street school will also be built, thus relieving the school board of a problem which has been a source of considerable annoyance.

The voting of the bond issue will also relieve the local board of an embarrassing condition, which also reflects on the entire district. Upland school district today has the reputation of paying the smallest salaries of any school in this section and the members of the board. Mrs. F. H. Manker, R. C. Norton and E. K. Vernon, hope to give the school a better standing following the voting of the bonds, as with a reduced cost of upkeep more money will be available.

Wilson-Naftel

The marriage of David James Wilson and Miss Pearl Naftel, both popular young people and well known here, occurred on Saturday, Rev. R. C. Stone officiating. The wedding ceremony took place at the study of Rev. Stone, Mr. and Mrs. R. R. Wisely, witnessing the ceremony. They will make their home here. Mrs. Wilson is the daughter of Mr. and Mrs. W. F. Naftel and Mr. Wilson is the son of Mrs. D. G. Wilson.

Merry Wives

The weather has nothing to do with the meeting of the Merry Wives, for Mrs. W. B. Duncan will act as hostess whether the weather be warm or cold on Friday afternoon of this week at her home on First avenue.

Mrs. Higley Entertains

Mrs. F. M. Higley entertained guests last Sunday with a pretty appointed four-course luncheon, at her home on East Fourteenth street. Roses were used in decoration, and Mrs. Higley was assisted by her daughter, Mrs. C. B. Blazer. Covers were laid for Mr. and Mrs. John G. Jacobs and sons, Mrs. and Miss Ambrieh of San Diego and Mr. and Mrs. Clarence B. Blazer and sons, of Azusa.

MUSIC DEPARTMENT PRESENTS A FINE PROGRAM BEFORE LARGE AUDIENCE

MISS VERA JACQUES, SO-PRANO, THE STAR OF THE EVENING

Girls' Glee Club and Mr. Walberg Also Please Big Audience. Fine Performance Due to the Teaching of Mr. Blakeslee.

Last Monday night in a concert presented by the Chaffey department of music at the school auditorium appeared Chaffey's brilliant soprano, Miss Vera Jacques, assisted by Mr. Harold Walberg, violinist, and the Girls' Glee club with Mr. S. Earle Blakeslee, director and accompanist. The auditorium was filled with music lovers from our own community and from many neighboring towns who came because they knew that a program of unusual musical interest would be given. The appreciation of the audience was keenly felt in the attention to every feature of the program.

Of the singing of Miss Vera Jacques only praise can be given. Her unusual range has been mentioned before, yet many were the words of wonder when the clear and silver tones of the soprano sailed up to high E or G. Aside from this striking feature there is that of her strength and beauty noticed in the lower, or middle tones. Under the excellent training of Professor Blakeslee, the young voice has added, in growing an extra tone of richness, a quality not before noticed. In her concert, Miss Jacques has proved herself to be one of the world's coming great sopranos, and the people of the community wish the young lady the best of success in her career. The song most appreciated Monday night was that selection from "Jeanne d'Arc," "Adieu, France," in which an inspiring effect was gained while the captured artistic work of the soprano and her accompanist. The closing number was another of unusual beauty, the waltz from "Romeo and Juliet," which was rendered with much life and precision.

Mr. Walberg, the violinist, pleased the audience greatly, especially in the selection rendered of his own composition, and in the "Oriental," by Grieg. The violinist did some very pleasing work which proved his ability as a violin director of the high school.

The Glee Club needed no introduction to the audience. Every one knows of the excellent work of these musical young women and that numbers were even more appreciated than usual in the club especially in the splendid work of Mr. Blakeslee. The effect produced by the girls is that of a single voice, the work is so in unison. Many compliments of the highest sort were paid the club by some music directors from Pomona and other places. The selection of special note by the club was "Morning," by Spang.

HOSPITAL NURSES RECEIVE DIPLOMAS

FOUR NURSES GRADUATE FROM LOCAL SCHOOL THIS YEAR

Judge O. N. Hilton Talks to Graduating Class in Ruedy Hall. Reception Held After Exercises. Patriotic Color Scheme.

A very delightful program was the one given at the graduation exercises of the San Antonio Hospital Training School when a class of four—Miss Evelyn Mae Rutherford, Miss Della E. Ledig, Miss Aletha May Castle and Miss Marcia Anne Cadman—completed the course. Mrs. G. Ben Henke, of the "Recessional," during which the members of the graduating class took their places on the platform. Groups of songs by Mrs. Henke, accompanied by Miss Ala Claire Ballou, during the program added a great deal to the pleasure of the evening.

Chairman of the evening, J. N. Huhn, spoke of the training course for nurses, and then introduced the speaker of the evening. Following the invocation by Rev. C. A. Kent, Judge O. N. Hilton gave a beautifully impressive address dwelling upon the fact that in service to others one gets the deepest enjoyment out of life. The diplomas were presented by Dr. G. Ben Henke, with a few appropriate remarks about the long training necessary before the final distinction of receiving the diploma. Each graduate received a pin presented by Mrs. Hilton.

The hall was decorated in streamers of red, white and blue, with flags effectively grouped upon the stage and in the background. Each diploma was tied with satin ribbon of red, white and blue, carrying out the patriotic motif of the evening.

At the close of the exercises a reception and dance followed, during which Miss Charlotte Black, the nurses, the ladies of the hospital board and Mrs. Grier acted as hostesses. A cooling drink, with cake and cream was served on the stage.

The work of Professor Blakeslee, the accompanist and director, cannot receive too high a commendation. The man is a musician in every sense of the word. The results gained with the Glee Club prove the professor to be a director who can so interest and instruct his vocal students that musical results of the very best are gained. The more fact that every selection given by the club this year has been rendered without a sheet of music shows his careful and detailed work. Not only in the effect on others is the musical ability of Mr. Blakeslee shown, for his work at the piano is the best, there being few outside of Los Angeles who in any way compare with him. It is hoped that soon he will find time to give the public a recital of his own.

GRADUATES ISSUE ANNOUNCEMENTS

FASTI THIS YEAR PROMISES TO BE BEST ONE EVER ISSUED BY SCHOOL

Special Assembly Held to Boost for School Publication. No Gym During Hot Weather Pleasing to Many Students.

The graduation announcements of the senior class have arrived and members of the 1919's are proudly displaying to the undergraduates the contents of the dainty envelope. The program is carried out in the school colors, orange and black; and the design of the Chaffey tiger adorns one corner with a halo of orange around it. The printing itself is in a quaint Japanese style, to help carry out the idea emphasized in the Fasti—a Japanese number. The committee which so carefully and so artfully planned and chose the programs are due a word of praise.

Wonders are being performed back of the wings of the auditorium stage these days. The senior class, in picking the play "Sherwood" for their class night production have necessarily demanded new stage settings and property has been hired and is now on the job designing, and painting new scenes which promise to increase interest in the well known play. If you want to know how it's done—how they sling red here and blue here and make, as a result, a beautiful forest, just drop in at Chaffey some of these days and watch the artist on his knees "pouring paint."

Some had thought that the hard work of the glee club of the school was done, at least for a few days, but not so. The girls are at work already on several new—and beautiful—pieces to be rendered the Sunday of Commencement week night.

A special assembly was called last week to boost the 1919 Fasti. It certainly will be some production from what we hear and practically every member of the student body has signed up for an annual. Many of the departments are especially good this year and, as Miss Avery says, though almost everything has suffered from the flu, the Fasti has had no bad results from said annual!

A bulletin of unusual interest was passed around last Wednesday. In fact it was a bulletin worth framing and it read like this: There will be no gymnasium classes during the extremely hot weather. You would have realized the importance of the joyous news had you heard the hearty applause which greeted its reading. (Applause is really putting it mildly.)

And another blessing that has come with this hot weather is the fact that the Chaffey plunge is from now on open to the boys at 2 in the afternoon and at 3:15 the girls are permitted to splash. This will take the place of the gymnasium work for the rest of the year, much to every one's delight.

The Junior College were most heartily received last Tuesday night at Chino where they presented for the people of the town their play, "Six Who Pass While the Lentils Boil." The cast received many words of commendation on their work and Miss Fredendall, the coach, also received much praise. With the program, two members of the Junior College entertained before the play. Mr. West pleased the audience with a violin solo, and Miss Janet Stone sang a contralto solo.

Mr. Booth of the high school is to give the commencement address for the school at Etiwanda next Friday night. He also gave an illustrated lecture last week at Alta Loma on the Sierras, which pleased the public greatly.

BUILDING OPERATIONS ARE ACTIVE

Building operations now have an active inclination, as contractors are being actively engaged figuring plans for new buildings and new homes.

Euclid avenue is to be adorned with another attractive residence, as Mr. and Mrs. John Jacobs have decided to build a Swiss chalet on their property at the corner of 18th street and Euclid avenue. Contractor Wisely is the builder and will commence the work as soon as he completes the addition to the Rugg residence on East 29th street, of three rooms and bath.

Contractor Wisely states that one of the finest residences ever built in the city will probably be erected here before the winter is over. As to who is to be the owner and where it is to be located Mr. Wisely was not at liberty to give out at this time.

Contractor Wisely has just completed a new garage and large screen porch for Mrs. C. F. Troeller, same being built on the Troeller property on North Second avenue.

UPLAND'S INITIAL JOY NIGHT 1919 SEASON ON TAP TONIGHT-- MANY FEATURES

DIRECTOR WILDING THINKS BAND THIS YEAR WILL BE ABOVE PAR

Band Concert, Movies and Dancing All in One Night Should Please Even the Grouches. Weather Just Right.

Tonight is Upland's Joy Night and evidently the weather man heard of it first, for indications are that tonight's weather will be all that could be desired.

Amusement of every description is scheduled for this evening. First and foremost is the initial concert of the 1919 season by Upland's famous band, which will be played from the shell at Municipal park, commencing at 8 o'clock.

Director Wilding states that the band this season is right up to its reputation and is able to play a class of music which no other band outside of Los Angeles is playing and he believes the concert this season will be as good and perhaps a little better than any season in the history of the band.

The Movies

Those who do not care for band music but prefer the movies will find at the Colonial Theatre the famous play of D. W. Griffith, "A Romance of Happy Valley," said to be one of Griffith's masterpieces. The show starts at eight. Manager Pettengill of the Colonial announces that patrons will find the theatre much cooler these hot nights as Contractor Stocker is installing a modern ventilating system which changes the air continuously thus making the theatre much more comfortable. Along with the new ventilating system Manager Pettengill announces the serving of ice water to patrons during the performance.

You Can Dance

If you care neither for the movies nor for band concerts and you like to dance, Ruedy hall is the place for you tonight. C. M. Sikes is in charge of the dance and the music is the kind for which Mr. Sikes is famous.

Ice Cream, Too

Dispensers of cooling drinks, ice creams, etc., are ready for the big rush tonight with all the tempting dishes for which they are famous.

PERK UP LEMON MEN---PRICE GOOD

Lemon Growers, smile! If you never produced a financial grin before, now's your opportunity. For lemons were selling at \$7.85 yesterday, and this section, Upland in particular, has lemons, lemons, and lemons everywhere. In the O. D. district there are three hundred carloads of lemons in storage and 250 cars are stored right here in Upland. The Lemon Growers Exchange not only has its big house filled to capacity, but is using the two brick buildings at the corner of A street and Euclid as well as a portion of the Orange Heights house, while the Mountain View, Stewart's, Hanson, and independent companies have numerous lemons.

During the past eight months the price of lemons has been averaging around \$3.00 to \$3.50 and although the price of \$7.85 is considered among lemon men as a hot weather flurry, the indications are for a stronger market during the summer months.

D. A. Field, manager of the fresh fruit department of the Exchange Orange Products Co., is now located in Los Angeles and spent last Thursday here on business. Mrs. Field and children will locate in Los Angeles within the month.

AMERICANISM

VENERABLE MEN! you have come down to us from a former generation. Heaven has bounteously lengthened out your lives, that you might behold this joyous day. You are now where you stood fifty years ago, this very hour, with your brothers and your neighbors, shoulder to shoulder, in the strife for your country. Behold, how altered! The same heavens are indeed over your heads; the same ocean rolls at your feet; but all else, how changed! You hear now no roar of hostile cannon, you see no mixed volumes of smoke and flame rising from burning Charlestown. The ground strewn with the dead and dying; the impetuous charge; the steady and successful repulse; the loud call to repeated assault; the summoning of all that is manly to repeated resistance; a thousand bosoms freely and fearlessly bared in an instant to whatever of terror there may be in war and death—all these you have witnessed, but you witness them no more. All is peace; and God has granted you the sight of your country's happiness, ere you slumber in the grave. He has allowed you to behold and to partake the reward of your patriotic toils; and he has allowed us, your sons and countrymen, to meet you here, and in the name of the present generation, in the name of your country, in the name of liberty, to thank you!

But alas! you are not all here! Time and the sword have thinned your ranks. Prescott, Putnam, Stark, Brooks, Read, Pomeroy, Bridge! our eyes seek for you in vain amidst this broken band. You are gathered to your fathers, and live only to your country in her grateful remembrance and your own bright example.

But the scene amidst which we stand does not permit us to confine our thoughts or our sympathies to those fearless spirits who hazarded or lost their lives on this consecrated spot. We have the happiness to rejoice here in the presence of a most worthy representation of the survivors of the whole Revolutionary army.

Veterans! you are the remnant of many a well-fought field. You bring with you marks of honour from Trenton, and Monmouth, from Yorktown, Camden, Bennington, and Saratoga. Veterans of Half a Century! when in your youthful days you put everything at hazard in your country's cause, good as that cause was, and sanguine as youth is, still your fondest hopes did not stretch onward to an hour like this! At a period to which you could not reasonably have expected to arrive, at a moment of national prosperity such as you could never have foreseen, you are now met here to enjoy the fellowship of old soldiers, and to receive the overflowings of a universal gratitude.

May the Father of all mercies smile upon your declining years, and bless them! And when you shall here have exchanged your embraces, when you shall once more have pressed the hands which have been so often extended to give succour in adversity, or grasped in the exultation of victory, then look abroad upon this lovely

land which your young valour defended, and mark the happiness with which it is filled; yea, look abroad upon the whole earth, and see what a name you have contributed to give to your country, and what a praise you have added to freedom, and then rejoice in the sympathy and gratitude which beam upon your last days from the improved condition of mankind!—Daniel Webster to the veterans of the Revolution on the 50th anniversary of the Battle of Bunker Hill.

"I trust I understand and truly estimate the right of self-government. My faith in the proposition that each man should do precisely as he pleases with all which is his own, lies at the foundation of the sense of justice there is in me. I extend the principle to communities of men as well as individuals."

"I so extend it because it is politically wise in saving us from broils about matters which do not concern us. Here, or at Washington, I would not trouble myself with the oyster laws of Virginia, or the cranberry laws of Indiana. The doctrine of self-government is right—absolutely and eternally right."—Abraham Lincoln, in debate with Douglas, 1854.

THE REPUBLICAN WOMEN IN NATIONAL CON- VENTION

THE meeting of representatives of the Republican women's official organization of the country and of Republican state chairmen and other national party leaders, held at Washington last week, was one of the most notable party assemblages in the country's history—historic because the first of its kind, marking a new era in political history. The large attendance, the businesslike character of the proceedings, the devotion to Republican beliefs and ideals, and the spirit of cooperation with the hitherto existing organization of the party, as displayed in this convention, promise well for the future activity and influence of women in the councils of the Republican party. Plans of organization were discussed, details of definite party service were worked out, and a practical program of cooperation between men and women for the advancement of the common cause was developed.

At the next general election about fourteen million women will vote for president. The Republican party has only good to itself and to the country to expect from the participation of this large new body of citizenship in politics. And certainly it is only good, common sense, to begin, as Chairman Hays has so well done in the launching of his women's committee, to bring this new force in American politics to the support of a cause which appeals with special force to women, with their natural loyalty to country and their deep interest in all that concerns the comfort and safety of the American home. The history, the ideals and the policies of Republicanism, when properly presented, make a strong appeal to women. To the Republican party, primarily, women owe their political emancipation. That, however, is not the reason women should be Republicans. Parties are but means to an end; that end is the welfare of the republic; and only to the extent that a party's program of public service, as underwritten by its past record of achievement, and the character of its existing leadership, appeals to the judgment and the belief supported.

The interests of men and women citizens of the nation in politics are common. There is no sex line in public welfare. Women will not be "handled" as a group by any organization or leadership. They will participate in politics as Americans, serving no separate class or group interest. This was made clear in the deliberations of the women's committee at Washington last week. There would be as much sense in a men's political group as in a women's po-

litical group—and that, of course, would be absurd.

One thought impressed itself on those in attendance at last week's Washington conference. That is that the presence of women at party conferences will serve to pitch the proceedings on a higher level than has hitherto been known. The word most appropriate in describing this first national meeting of Republican women is "thoughtful." Those in attendance felt, and had reason to feel, that the idea upmost in all that was done and said was to make the Republican party a better instrument of social and economic service.

National Chairman Hays, with Woman's Chairman Mrs. McCormick and her associates, are to be congratulated upon the success which attended this conference, and the progress made in the work of organizing the Republican women of the country under the direction of the women's official organization. Here, as in other departments of party activity, the direct, sensible, liberal, high-minded policies of the head of the national party organization, are bearing fruit that will be ready for victorious garnering at the political harvest of 1920. Women are in Republican politics not only as the equals but as the associates of the men who have borne the burden of party organization and party work in past past years. The attitude of the Republican national organization is not that the party shall make use of women, but that women shall make use of the Republican party, which belongs to those who make it up, and is their means of national patriotic service. The Republican party is now, and will be in future, just what it is made by the millions who go to make it up, if these millions will but do their duty by participating in the management of the institution which has given to the history of the republic more inspiring pages and more great names than have been contributed by any other political organization which has, from the beginning, influenced the national life.—National Republican.

J. C. Powellson, Chas. Beckley and Mr. Berkeley and their respective families were among the motorists picnicking in Lytle Creek canyon on Decoration Day.

Mr. and Mrs. A. I. MacKeen are visiting relatives in Los Angeles this week.

Mr. and Mrs. H. L. Salisbury, with their house guests, Mr. and Mrs. Smalley and two children, of Los Angeles, motored to Summit, Cajon Pass, on Decoration Day, where they enjoyed picnic dinner, returning home in the evening.

John Whitson, Jr., little son of Mr. and Mrs. Henry Whitson, is on the sick list this week.

Mr. and Mrs. Arthur M. DeBerard, with a party of Ontario friends, motored to Santa Monica beach where they spent Sunday.

Mr. and Mrs. F. A. Lucas, with their son Leo and daughter, Miss Mary, returned Sunday night from San Diego, where they spent Decoration Day, Saturday and Sunday.

Mr. and Mrs. W. H. Horst drove their daughter, Miss Madge, back to Riverside Sunday, where she resumed her school duties on Monday. Cucamonga Woman's club will be entertained on June 19th, Thursday, at the home of Mrs. W. A. Lucas, in Upland. The county president, Mrs. F. H. Manker, is expected to be present and meet the Cucamonga club women.

Mr. and Mrs. Harry DeBerard and son Jean expect to leave week after next for a visit with Mrs. DeBerard's father in Oakland, Mr. F. M. Marsh. They will be gone some time.

Lewis Anderson, son of Mr. and Mrs. Wm. R. Anderson, who has been ill and confined to his bed for some time, is now able to be up and around the house and friends hope to see him soon in his usual good health.

The last meeting of the Central School P. T. A. for this season was held on last Tuesday afternoon at

the school. Each of the three teachers was presented with a pretty souvenir, a framed photo of the school building, as a slight token of the esteem and appreciation of work accomplished by the teachers the past year, in spite of the handicaps of the flu.

William Anderson, Jr., of the U. S. Navy, who has been on sick leave and spending his furlough at the home of his parents, expects to leave on Friday to take up his naval duties at Brooklyn Navy Yard. On Tuesday evening his friends tendered him a big farewell reception at the home of his parents, Mr. and Mrs. W. R. Anderson.

Miss Helen Cherbak, Red Cross nurse, but recently returned from Italy, has accepted a position in Los Angeles.

Mr. and Mrs. Ed Sexton, of Los Angeles, are moving in to the Roberts bungalow this week. Mr. Sexton is bookkeeper at the N. G. Crosswell warehouse.

Mr. and Mrs. A. C. Beattie and children are enjoying a camping vacation of several weeks in Lytle Creek. They are not expected home until next week.

Billy, the baby son of Mr. and Mrs. Arthur M. DeBerard, is also on the sick list this week, with fever and stomach trouble. Quite a number of babies are experiencing the same trouble, the doctors say, due probably to the sudden warm weather.

Mr. and Mrs. Benjamin Hampton and daughter, Miss Katherine, and son, David, of New York City, were weekend guests at the beautiful home of Mr. and Mrs. R. M. Welch on Base Line. Mr. Hampton is a motion picture magnate, and his business brings him to the great "movie center," Los Angeles.

Miss Bessie Stipe was home from the Los Angeles Normal for the week-end holidays.

Mrs. Alice Philippi visited relatives in Los Angeles Friday to Sunday.

Mr. and Mrs. A. G. Markham, accompanied by Mr. and Mrs. W. S. Fillman, of Ontario, left early Sunday morning on a trip after the tempting red cherries of Yucaipa valley, returning home late that evening laden with the fine fruit.

John Whitson and family attended the memorial exercises held in Ontario Friday afternoon.

Mr. and Mrs. L. A. Weller and Miss Lida Henry were guests on Decoration Day at Mission Inn, Riverside, motoring over.

Owners of several household pets and watch dogs are on the "War Path," having lost them via the deadly strychnine route, the poison evidently being either carelessly or purposefully left where the animals would find it.

Mr. and Mrs. W. E. Kincaid spent the week-end at the beaches. Their sister, Mrs. A. F. Guthrie, of San Bernardino, was their guest the early part of the week.

G. T. Morris and family enjoyed a week-end motor trip to Santa Barbara and return.

Mr. and Mrs. Henry Whitson were motor guests of Mr. Mitchell, of Ontario, driving in to Los Angeles for Decoration Day.

Mrs. Lottie Wheeler spent the week-end with her sister, Mrs. Erickson, of Upland.

John Ralph, an Alta Loma boy, now of the March Aviation Field, has graduated from the mechanical department and is now on "flying status."

Mr. and Mrs. E. S. Bishop were visitors Decoration Day at March Field, Riverside, arriving in time to witness the start in formation flight of six airplanes laden with flowers to drop over the streets of Riverside in memory of departed aviation heroes.

The Red Cross sewing rooms have some chairs that were donated for the good work which is finished now and the rooms are being closed. Owners of the chairs, whoever they may be, may have them now.

A fine baby boy, Wallace James, weighing 8-14 pounds, arrived Friday, May 23, at the home of his proud new parents, Rev. and Mrs. E. M. Hutchens, and all doing nicely.

Messrs. Maurice Bonillas, Homer Stipe and Misses Maud Garrard and Clara Taverner, left last Saturday on a short trip to Big Bear lake, where they spent the week-end at the mountain cabin of Mr. and Mrs. Theodore Krysto. Mrs. Krysto being Miss Garrard's sister, the party returning home Sunday evening.

"Children's Day" was appropriately celebrated at the various churches the North and South End Nazarene churches joining, the program being held at the South Side church Sunday evening. The children entertained their elders with pretty little dialogues, recitations and songs, appropriate to the sacred occasion.

Cucamonga-Alta Loma will "go over the top" and contribute their quota to the Upland band concert this evening, this being especially inviting outdoor-ice-cream weather, and all are on tiptoe for these splendid evenings of musical treat. Many will also enjoy the splendid performance, "The Romance of Happy Valley," at the Colonial.

The grammar school season is drawing to a close and now that real summer weather is here, teachers and scholars leave the warm school rooms with joy and few regrets. Alta Loma school closed last week. Central school closes this week Friday and Cucamonga school, which lost more time the past year on account of the flu, will hold its final examinations the week ending June 20. On the evening of June 13, Friday, the Cucamonga scholars expect to present a closing program, consisting of several class plays.

Alta Loma school will have Miss Naomi Hawkey as principal next year, with Miss Margaret Johnston in the intermediate, while a new teacher, not yet decided upon, will have the primary. Miss Hawkey succeeds Miss Melba Case, who was married last week, and will reside in Pasadena.

CUCAMONGA ITEMS

Cucamonga school for next year will be announced next week.

June Wedding Bells

The many friends of Miss Melba Case, who has been the principal of Alta Loma school for the past several years, will be interested to learn of her marriage to Mr. Harry St. Clair, of San Dimas, the happy event taking place last Thursday evening at 7:30 o'clock at the home of the bride's mother in Claremont. Mr. St. Clair has been attending Throop college in Pasadena and the newly wedded couple will reside in that city until he has finished his college course. In attendance from Alta Loma and Cucamonga were Judge and Mrs. W. C. Belden, Mrs. Mary J. Reid and Misses Gertrude Reid, Naomi Hawkey, and Sadie Smith.

Big Auto-ride to Lytle Creek

Lytle Creek proved to be the big magnet which drew a merry crowd of Cucamongans and Alta Lomans, filling six automobiles, besides just loads of good "eats," to that popular mountain resort on Decoration Day. Among those enjoying the holiday were Mr. and Mrs. W. H. Rupp, Miss Marybelle Rupp, Mr. and Mrs. Chas. T. Brown, Mrs. Katherine Von Sien, Mrs. Isabel Emery, Mr. and Mrs. N. Emery and children, Mr. and Mrs. George Keyes, Miss Helen Keyes, Sergt. and Mrs. Ernest Perdue, and visiting guests from Los Angeles, Mr. and Mrs. Howard Parker and two children, of Pasadena, Mrs. Alexander, Mrs. Ryan, Mr. and Mrs. Phipps and Junior Hazelton, all of Los Angeles.

Complimentary Dancing Party

Honoring their house guests, Miss Katherine Hampton and brother David, of New York City, Miss Eleanor Welch and brother Marvin entertained about fifty young people with a pretty little dancing party at the Hotpoint club one evening recently. The ball room was very attractive in its spring garb of roses and greenery, while cooling fruit punch and water were served throughout the evening. Splendid music was furnished the happy dancers by Dossinger's orchestra. Mr. and Mrs. Welch and family will leave soon for the East, where they will spend the summer at East Newport Beach. While there they will join the Pearsall-Swift-Payne party which will auto-tour the Adirondacks and the Thousand Islands.

Big "Welcome Home" Plans

Local soldiers and sailors have received their invitations this week to attend, in uniform, the big West End celebration to be given in their honor next Thursday, June 12, in Ontario, and every soldier and sailor is sure planning to be right on the spot; first, the flag raising at the chamber of commerce building, then the big parade to Chaffey high, where a great "feed" will have been prepared for them, while citizens will hold a big basket picnic on the lawn. Overseas will be the flying circus, planes from Rockwell and March Fields in aerial athletics. Then, the exciting auto races, and numerous other interesting events. The local committee, with O. P. Whitney, chairman, held a meeting Monday evening at the bank, where plans were formulated which undoubtedly will be carried out with great success on that day. Organizations as follows will take part in the parade:

- The returned soldiers and sailors of the community.
- The Red Cross organization.
- The Junior Red Cross.
- The Boy Scouts.
- Members of the G. A. R. and W. R. C. will combine with those of Ontario. Mr. Chas. Motsinger, Mr. G. T. Morris and Mr. M. W. Davenport are the committee in charge of the returned soldiers and sailors.

Mr. W. H. Horst, Miss Gertrude Reid and Mrs. E. S. Bishop in charge of the Red Cross. In charge of the Boy Scouts will be Assistant Scout Master Mr. A. C. Beattie and in charge of the Junior Red Cross, Mrs. A. C. Beattie, assisted by Mrs. Geo. Allen. The program will begin at 10:30 in the morning, with flag raising, and one round of interesting events from then on with street dancing in the evening and music by the Upland band all day. The local Red Cross workers are planning to ride in a body, wearing the regulation Red Cross uniform, the autos in a cross formation. Everybody is planning to go. It will be one big celebration!

Twin Birthday Celebration

Mr. and Mrs. W. B. Harvey were most happily surprised last Tuesday evening to find, upon their return from a brief walk, a number of congenial friends gathered at their home to help them celebrate their joint birthday anniversaries. The happy surprise was the plan of their young daughter, Miss Opal, who had arranged for three tables of five hun-

NOTICE TO CREDITORS

In the matter of the estate of Edward B. McClair, Deceased.
Notice is hereby given by the undersigned Administrator of the estate of Edward B. McClair, deceased, to the creditors of and all persons having claims against the said deceased, to file them, with the necessary vouchers, within four months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California, in and for the County of San Bernardino, or to exhibit them, with the necessary vouchers, within four months after the first publication of this notice to the said Administrator at the office of A. W. Burt, Suite 117, Ruddy Building, Upland, Cal., the same being the place of business in all matters connected with said estate of Edward B. McClair, deceased.

Dated May 27th, 1919.
GEORGE B. IRVIN,
Administrator of the Estate of Edward B. McClair, Deceased.

dred, with music and social chat, to while away a most pleasant summer evening. The high scores in the card game were made by Mr. W. E. Kincaid and Mrs. E. S. Bishop. After tempting refreshments of ice cream and cake were served, where the favors were dainty red and pine crepe paper basket baskets, the honorees were requested to cut individual birthday cakes, all decorated with glowing candles; Mrs. Harvey's cake proved to be a tasty spice-cake, while Mr. Harvey's turned out to be an old-fashioned hoe-cake, much to the delight of the joy makers and the surprise of the honoree, who nevertheless was game and honored the trick! Before the close of the evening, the guests presented Mr. and Mrs. Harvey with a handsome set of embossed book-ends for their library table. Those enjoying Miss Opal's hospitality were Mr. and Mrs. Geo. Irvin of Upland, Mr. and Mrs. M. H. Davenport, Mr. and Mrs. W. E. Kincaid, Mr. and Mrs. Dresden Kilbourne, Mr. and Mrs. Geo. T. Morris, Mr. and Mrs. E. S. Bishop, and the honorees.

WATER HOLES OF DESERT WILL BE FIXED

As the result of an urgent appeal by S. P. Kelley that the county at once safeguard travelers on the desert by putting into condition charted springs and wells on which travelers depend, the board of supervisors Monday directed that the work be started at once, and designated L. R. Lothrop, highway commissioner, to take charge of the work.

There are many wells and springs listed on government and other maps which are either choked up or the water of which is unfit for human consumption. Mr. Kelley told the supervisors in a letter. He has recently returned from a trip into every section of the desert.

Two parties with their water supply exhausted and springs on which they had depended gone dry, were rescued by Mr. Kelley.

Mr. Kelley relieved one family, members of which were in bad shape because they depended on finding water at Lone Willow Springs on the Ballarat-Death Valley road, and failed to find any. They had no water left in the radiator of the machine and two women of the party were in bad shape from thirst. Again on the road from Vidal to the Needles, a distance of 63 miles, two dug wells, Welch's well and Hanks' well listed in the automobile directory as containing water, were absolutely dry and a party was found by Mr. Kelley stranded at the side of the road and unable to proceed.

At Copper City the well drainage was choked and the well proper had half a dozen dead rats in it. The upper Granite Wells spring, known as Pilot Knob Springs, has had the entrance broken open and cattle have made the water unfit for human use. At the lower Granite Springs, the watering trough had been removed and was at a cattle camp three miles distant. Lone Willow Springs was choked with a small landslide. At Leaches Point the well needs cleaning and draining. The same applied to the well in the Desert King canyon. Two Springs and Drink Water Springs were in the same condition. Cave Springs needs protection to prevent cattle fouling the water. Francis Wells, Mexican Well, Wheaton Well, Halloran Springs, Garlic Spring, and others need immediate attention, said Kelley.

On the Barstow to Needles road there is water at various stations, but out on the less traveled roads the springs and wells are in bad shape.

The supervisors agreed that the watering places would be put in shape at once, for summer is already under way on the desert.

GRAMMAR SCHOOL NOTES

School is continuing two weeks later than usual this year because of the enforced vacation. During the rest of the term it has been decided to begin at 8 o'clock and close at 12:30. While this causes a little inconvenience, it is more than overbalanced by the fact that the pupils do not have to study during the hottest part of the day.

Miss Noe is spending a few weeks at Laguna Beach, but hopes to return for the commencement exercises.

The following officers were elected by the eighth grade class last Tuesday: President, Clark Bailey; vice-president, Ethel Craig; secretary, Harriet Johnson; treasurer, Mabel Edwards. The girls of the class will graduate in midday suits and red ties. Wednesday morning's assembly was given by Miss Watson's room, and was an excellent presentation of the regular school work.

ARKANSAS PICNIC REUNION

Owing to the rains the Arkansas people were unable to carry out the picnic reunion plans for Saturday, May 3, and the picnic was postponed to Saturday, June 14. All former residents of the Apple Blossom State are asked to meet in Sycamore Grove, Los Angeles County registers and headquarters will be open all day. Basket dinners eaten at noon. Program open at 2 o'clock. All the addresses will be brief and good. Hot coffee will be provided, souvenir badges and a jolly social time all day long. The main object is to meet the old time friends and to make new friends from Arkansas people. Each one who sees this notice is urged to pass it on to others. Remember day, date, place, dinner, cup, spoon, appetite and smile.

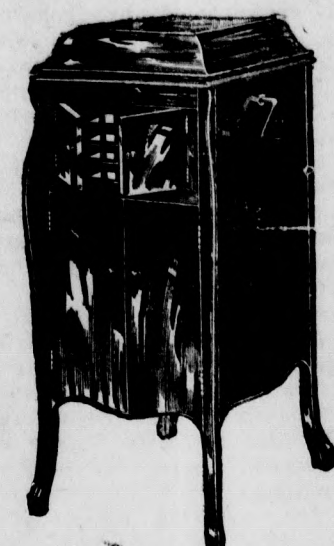

STATE OF MAINE PICNIC

The annual picnic reunion for all former residents of the grand old Pine Tree state will be held in Sycamore Grove, Los Angeles, all day Saturday, June 14th, with basket dinners at noon. Hot coffee will be provided for all, but each must bring cup, spoon and dinner.

County registers will be open all day so you may meet friends. There will be a brief, snappy program opening about two o'clock.

CHAFFEY EMPLOYS A HORTICULTURIST OF WIDE EXPERIENCE

Mr. Leonard Day, county horticultural commissioner of San Benito county, was in Ontario recently en route to the Fruit Growers' convention, at Riverside. While here Mr. Day visited with some old time friends and from them learned of the appointment to the faculty of Chaffey Union High School of Mr. George P. Weldon, at present chief deputy commissioner of horticulture at Sacramento. In speaking of the appointment Mr. Day said:

"I first met Mr. Weldon at Grand Junction, Colorado, where he was carrying out investigations for control of insect pests and plant diseases of the apple, pear and peach orchards. I was much impressed with the thoroughness of his work and was later much gratified to learn of his appointment as chief deputy to our California state commissioner of horticulture."

"Mr. Weldon has very ably discharged his duties in this capacity in California. He has also carried out to practical conclusions several investigations in pest control and has published several bulletins on horticultural subjects. One bulletin on 'Apple Culture in California' and another on 'Pear Culture' are classics in their line."

"The Chaffey Union High School and Junior College of Agriculture is certainly to be congratulated in the selection of Mr. Weldon for the work here."

CALLNON LEAVES HOSPITAL—COY NAMED HEAD

Dr. J. W. Callnon, superintendent of the county hospital, who has just returned from service as a captain in France, Monday resigned.

Dr. L. M. Coy, formerly assistant superintendent, was elected superintendent, after he had been consulted over the long distance telephone. The supervisors then dispatched a message to Maj. Gen. F. S. Strong asking that Dr. Coy be relieved from army duty to take charge of the hospital here.

Dr. Callnon arrived from Berkeley and went into session with the board of supervisors and explained that because of the condition of Mrs. Callnon's health he must remain in the north, and said that it was with a great deal of regret that he tendered his resignation.

The supervisors decided that the superintendent was to take absolute charge of the entire institution. Since the hospital physicians went to war the hospital medical department had been handled by internes and the staff plan. The county officials have now reached the conclusion there must be a medical head at the hospital at all hours.

TEN NEW CABINS WILL BE ERECTED FOR P. E. CAMP

Ten new cabins are to be erected at the Pacific Electric camp in Little Bear valley to increase the capacity of the resort for caring for Pacific Electric workmen and their families this summer.

That is but one item of a number of things planned for increasing the capacity and attractiveness of the camp. The resort is now open and has been since the opening of the fishing season, but will be closed June 15 to 30 for the making of improvements. On July 1 it will be opened for the season.

Besides erecting 10 new cabins, the old ones will be entirely renovated, while the entire camp will be cleaned up, brightened up and put into ship-shape for the summer. The camp is most popular with the workmen and their families.

The outing spot is under the direction of E. C. Thomas, head of the welfare work of the railroad, while C. A. Rixey is directly in charge all the season. Hundreds of employees and their families will be entertained during the heated period.

Mrs. J. J. Atwood Hostess—

Complimentary to Miss Nellie Maude Colborn, one of the June brides-to-be, Mrs. J. J. Atwood entertained the Philathea Girls class and a few intimate friends, by giving a miscellaneous shower and supper, last Friday evening at her lovely home on Laurel avenue. The guests enjoyed visiting until after refreshments were served which Mrs. Atwood styled a "Mother's Supper," after which the dining table was laden with packages and Miss Colborn (assisted by the "girls"), opened them, and it was a very delightful shower of love and good wishes accompanied by household articles of real value to a bride. Some of the "girls" were unavoidably absent, but sent tokens of their love. One gift was accompanied by the following rhyme:

Away to school our Maude went.
And there a fine young man she met.
And while on studies she was bent,
The man to win her was intent;
And soon to him her heart she lent;
In consequence this gift is sent.
Just heaps of love to represent.

The party then repaired to the music room where a short program was given. Mrs. W. K. Farmer, Mrs. Elsie Hess, Miss Helen Hartley and Miss Iva Glover gave musical numbers. Songs were sung and some readings given by Iva Good-ban. The following guests were present: Miss Maude Colborn, Miss Helen Hartley, Miss Ruby Moser, Miss Elizabeth Fossett, Miss Iva Glover, Miss Pauline Hartley, Miss Gladys Riley, Miss Agnes Davis, Miss Stella Whiting, Miss Iva Good-ban, Miss Aleda Farmer, Miss Nellie Cooley, Mr. and Mrs. Owen Atwood and son John, Mr. and Mrs. Glen Atwood, Dr. W. K. Farmer and Mrs. Farmer, Mrs. Partia Austin Colborn, Mrs. Elsie Duley Hess, Mrs. Ruth Riley Stickney, Mrs. Daphne Tuttle Brown, Mrs. Dora Hilbert, Mrs. George W. Colborn, Mr. and Mrs. J. J. Atwood and Warren Atwood.

Peters-Andrews—

The marriage of Miss Julia Lillian Andrews and Mr. Lloyd Gleason Peters occurred at the Andrews home at one o'clock today. Rev. Chas. A. Kent officiating. Following the ceremony, Mr. and Mrs. Peters left on a motor trip of a few days, after which they will return here before going to Morenci, Arizona, where Mr. Peters is assistant to mine superintendent of the Phelps-Dodge Copper Co. Mr. and Mrs. Roy Younglove of Pasadena, Clarence Andrews from Berkeley and Mr. and Mrs. W. H. Andrews witnessed the ceremony.

Mrs. Peters is the daughter of Mr. and Mrs. W. H. Andrews and is well known here, having resided here for several years.

Mrs. Moser Hostess—

Mrs. L. E. Moser opened her home in a most hospitable manner on Wednesday afternoon when the Orange Drive Circle, of which she is a member, entertained the other branches of the Ladies' Aid of the

Methodist church at the Moser home. A short business session of the combined Circles was held, the president, Mrs. W. C. Reynolds, presiding. The home was beautifully decorated with sweet peas and Cécile Brunner roses, and the lawn proved very attractive to the younger members. About 60 people were present and a program was given during the afternoon by Mrs. C. S. Kelley and Miss Ruby Moser, who gave interesting readings, and by Miss Esther Anderson, Miss Naomi Koster and Miss Louise Buffington, who rendered musical selections, which were greatly enjoyed. Refreshments were served by the hostess, Mrs. Moser, who was assisted by Miss Naomi Koster, Miss Esther Anderson, Miss Maude Dinger and Miss Ruby Moser, and a very delightful afternoon was spent.

Mothers Banquet Graduates—

Mothers of the members of the senior class of Pomona college, including Mrs. E. W. Jones, Mrs. Charles W. Faris and Mrs. Henry Frisbee of Ontario and Mrs. B. F. Hess of Upland, entertained with a banquet for the eighty members of the class at the Smith home, formerly the Claremont home for boys, in Claremont.

Decorations were effective in the class colors, purple and gold, and the young guests were seated at long tables. The menu was served in four courses.

Miss Grace Hamilton, president of the class and bearing the distinction of being the first woman president of a graduating class in the history of the college, gave a charming little talk in which she expressed the appreciation of her fellows of the honor paid them by the mothers.

Mrs. Smith, as principal hostess of the evening, responded with a cheery talk and called upon Prof. Frank P. Brackett, class adviser, who spoke wittily to the effect that he had never found the class greatly in need of advice.

At the close of the speeches, the class gave seven rousing cheers for the mothers, followed by three cheers for Mrs. Smith, and when, after the class and college yells and the song, "Hail Pomona," some one suggested that the fathers, though not present, should not be forgotten, there were three more cheers.

Local members of the graduating class this year include Miss Hazel Jones, Henson Faris and Ira Frisbee of Ontario and Miss Esther Hess of Upland.

THE UNIVERSAL CAR

The Ford Car can well be called the People's Car, because there are more than 3,000,000 of them in daily operation.

That is about seven to one to the nearest follower in the motor car industry.

This would not be so if the Ford Car had not for sixteen years proven its superiority in service, in durability, and low cost for operation and maintenance; this would not be so if the Ford Car was not so easy to understand, so simple in construction that everybody and anybody can safely drive it.

It is everybody's necessity because it doubles the value of time, and is the quick, convenient, comfortable, and economical method of transportation.

Happenings Here and There Gathered by a News Special Representative in and About the Famous Etiwanda Colony

The largest crowd that has ever been brought together on the Etiwanda school grounds witnessed the peace pageant given Friday evening on the open air stage. It was perhaps the prettiest thing that has ever been given here, and remembering some of the pretty things of the past few years we realize this is saying a great deal. Mr. Clapp of Chaffey assisted our teachers in arranging and practicing the children. The grouping was certainly good to produce splendid effects, the bright Indian costumes brought out by contrast with the plain Quaker garb. The girls of the minut looking all the prettier following as they did the prettily but simply dressed Puritan maidens. Miss Bessie Troyer, who came from high school every day to assist at the piano, and the mothers who helped make such a decided success by their work with the costumes, Katherine Brownless and Billy Hippard, who "made up" the faces and Mr. Clapp of Chaffey have the thanks of Miss Wilson for their assistance. All the children of the school were used in the pageant, prominent characters being as follows: Uncle Sam, Elmer Mueller; Columbia, Alice Bacon; William Penn, Ralph Price; Abraham Lincoln, Rudolph Hoppe; George Washington, Bobbie Hickox; Spirit of History, Helen Hutchins; military commanders, Philip Scott and Jas. Spray. An excellent musical program by Mr. Wilding and members of the Chaffey band preceded the program. The boys are a credit to their instructor.

A good many members of the Etiwanda colony spent an uneasy night Wednesday night, after word had been passed about that Jack, the little son of Mr. and Mrs. John Frost, had eaten a part of a tablet of bichloride of mercury in the afternoon. Mrs. Frost was cleaning out the medicine cabinet and was called to the telephone. Upon coming back she found that the baby had something in his mouth which proved to be the dreadful poison. As he had just eaten a large feed which he vomited up at once, he suffered no very serious results except a sore mouth and throat. He has completely recovered.

Mr. and Mrs. Richard Merrill entertained a large party of motorists on Sunday evening, including Mrs. Merrill's parents who formerly lived here. Their guests were from Los Angeles, Redlands and Redlands Junction. On Tuesday afternoon Mrs. Merrill celebrated her birthday by having a few of her intimate friends and the ladies who live near her in for a porch party.

School will close Friday. On Friday evening the commencement exercises will be held on the open air stage. Professor Booth of Chaffey will be the speaker of the evening and will have a talk which will interest every one. The graduates will give a short program. There are six this year, Ruby Dugdale, Frances and Dorothy Spence, Ralph Price, Rudolph Hoppe and Elmer Mueller.

A number of out of town visitors were attracted by the peace pageant Friday evening. Mrs. May, formerly principal here, came over from San Dimas and spent the night at the home of Mrs. Lillian Cour. Miss Violet Calkins of Fontana was a visitor at the home of Mr. and Mrs. Wm. McClean. Howard Frost came out from San Bernardino for the evening. Miss Hazel Cour came home from Redlands for a brief visit. Mrs. Samuel Bollong of San Bernardino and many others drove to Etiwanda to witness the program.

The Love ranch on Etiwanda avenue, adjoining the ranch of James Isle, has just been purchased by Mr. and Mrs. Isle for \$750 per acre. As there are thirty shares of water stock with the twenty acres, it is a very good buy indeed. The place has been in grapes for many years, but part has been recently set to citrus fruit. Mr. Ernest Mueller will continue caring for the property the remainder of the year.

Mr. and Mrs. Ernest Mueller entertained Mr. and Mrs. C. N. Staub of Los Angeles for a week while they were here looking after their ranch on Base Line. Mr. Staub and Mrs. Mueller are old time friends.

A memorial sermon and special music featured Sunday's morning church services in Etiwanda. Rev. Ellis of Pomona gave one of his always excellent sermons and a male quartette composed of Rev. Wm. Troyer, A. H. Dugdale, Chas. Donnelly and Ralph Cour supplied the music.

Mr. and Mrs. Lewis Lamb of Upland visited in the colony Monday evening. Mrs. Lamb grew up here as Miss Mamie Perdue. Her husband has just been discharged from the navy. They will live in Upland.

Mrs. Hensley of Blythe has come to make her home for the present with her daughter, Mrs. Herman Henderson, in order to escape the heat of Blythe. The change to our temperature probably won't be a severe shock to Mrs. Hensley.

With the thermometer registering 99 in the shade the annual "June drop" began in record time this season. The weather is certainly splendid for grapes and a remarkable crop has already set. Early sales of the crop are for the highest prices ever paid here. Easterners are finding that Etiwanda muscats bear shipment, while those farther up state do not hold up so well.

Mr. and Mrs. W. E. Layton entertained the Kemps, the Burgers and the Bonnells at their home Saturday evening.

Mr. and Mrs. George Frost entertained Mr. and Mrs. Chas. Frost and daughter Sunday.

Mrs. Horace Pierce is quite ill with severe stomach trouble. Her sister, Miss Elisabeth Dillard, is caring for the little boy until his mother is able to be about.

Mr. and Mrs. J. G. Thompson accompanied Mr. and Mrs. Harry Dilts to Lytle Creek Friday for a picnic dinner.

Wilbur and Dorothy Thompson of Upland were dinner guests Friday evening at the home of their aunt, Mrs. A. A. Warner. They attended the pageant with their cousin, Miss Joy Fisher, and remained overnight at her home.

Harold Ross expects to leave France about June 15. He has just had a letter from Christopher Hoppe, who was doing guard duty at Brest.

Rev. C. W. Greenlee expected to sail for the United States about May 20th, but as yet has not telegraphed from New York.

Mr. Thomas Lemon of Colorado is here with his brother, Mr. A. R. Lemon, hoping to benefit failing health.

Rev. and Mrs. Theodore Suhr are refinishing the interior of their home. Mr. Douglas Allen and son are doing the work.

Mr. and Mrs. Fred Burger and Mr. and Mrs. G. N. Fetrow dined in Ontario Sunday at the home of Mr. and Mrs. John Baldwin.

Mr. and Mrs. W. S. Henderson entertained Mr. and Mrs. Herman Henderson and Mrs. Hensley at dinner Sunday.

Mrs. Mary C. Burbank is slowly regaining her health. Miss Helen returned from Ontario to be with her.

POMONA VALLEY OSTEOPATHIC ASSOCIATION ELECTIONS

Dr. J. A. Vance of Ontario was elected president, Dr. O. K. Stevens of Pomona vice-president, Dr. Harriet Doolittle of Pomona, secretary and treasurer. Committee chairmen were appointed as follows: Dr. C. L. McClelland of Ontario, chairman of program committee; Dr. L. V. Harvey of Upland, chairman of publicity committee; Dr. C. E. Clark of Pomona, chairman of clinic committee. These committee report that all arrangements have been completed for the big Western Osteopathic Association convention to be held in Los Angeles June 9 to 14.

Following the business meeting, Dr. T. J. Ruddy of Los Angeles spoke on catarrhal deafness and hay fever. Dr. Ruddy is an Osteopathic specialist with a national reputation for his exceptional success in curing these very common ailments and he says that ninety per cent of all cases of deafness and hay fever can be cured by his methods. He had with him a dissected cadaver and explained in great detail to those present his technique. The local association was very fortunate in securing him. Each year Dr. Ruddy lectures before the National Osteopathic association and doctors come for thousands of miles to hear him.

Dr. Doolittle of Pomona spoke on the effect of inanimate lesions on flat foot. Dr. Harvey of Upland spoke on the effects of motoring on disease. Dr. McClelland of Ontario spoke on neuritis, its cause and cure. It was a very beneficial meeting to all local Osteopaths.

Greetings---

It is to your interest to help make California's world-renowned Yosemite National Park accessible by automobile winter and summer. It will give you added opportunity for enjoyment, and attract many tourists to this State.

A paved highway below snow-line and not over seven per cent grade will be constructed to Yosemite if sufficient numbers help now.

Money obtained by sale of certificates of admission will be used to pave this proposed highway under the direction of the State Highway Commission.

These certificates are issued by authority of the Federal Government and cost only the regular admission price of \$5.00. Each certificate will entitle the holder to enter and re-enter Yosemite Park by automobile or motorcycle during any official year.

Every motorist should wish to see the Yosemite in winter as well as help rid the trip of dust in summer. Therefore they should buy certificates and campaign for this movement for a paved highway.

All purchasers of certificates will secure cards showing they have, by their public-spirited interest, contributed toward the construction of this beneficial highway.

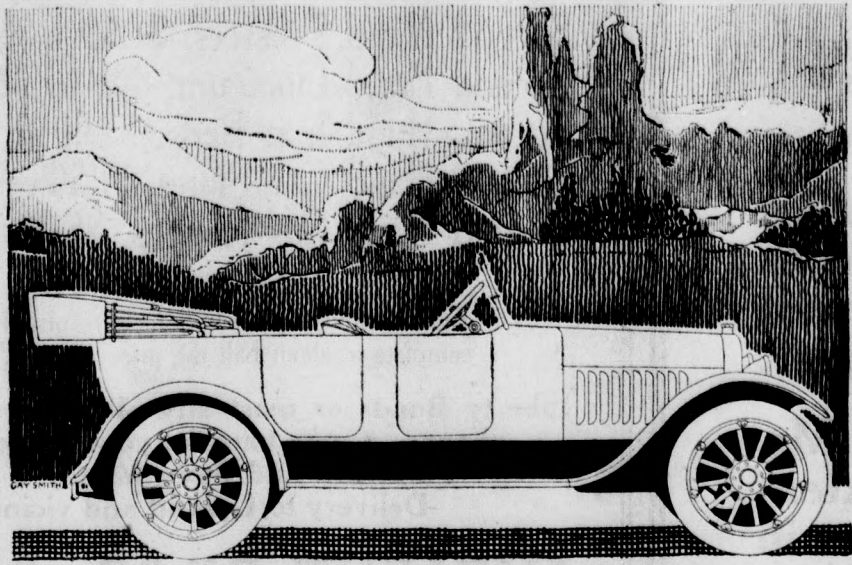

Certificates may be secured from May 22nd to June 7th, through Chamber of Commerce, or from the undersigned.

A Hot Spot Chalmers Holds Every Drop of Gas to Account

It takes gas to move weight. And in a car like the Hot Spot Chalmers, which is 300 pounds above the "light-weight" class and 300 pounds under the "heavy-weight" class, gas has more than passing attention.

The trick is to move this weight at the minimum effort. Therefore, the Hot Spot and Ram's-horn play a great part in the Chalmers.

Hot Spot holds every drop of gas to account.

It "cracks up" into a "dry vapor powder" the raw gas just as the gas enters the Ram's-horn and the latter dispatches the "pulverized" fuel to the cylinders with lightning like rapidity.

The result is that when the spark plugs "touch it off" every drop (finer by far than the naked eye can detect) turns itself into power de luxe.

There's little waste—well nigh none. And remember that this Hot Spot engine of the Chalmers is the most modern automobile engine of the day.

It has made Chalmers one of the few great cars of the world.

CHIEFTAIN'S DAUGHTER IN THE MOVIES

The wonderful realism, thought and minute attention given to every detail in that remarkable production, "Mickey," featuring Mabel Normand, to be shown at the Colonial theatre on Monday and Tuesday, is forcefully brought out by the advent—the "where, why and how"—of Minnie Ha Ha, Mickey's foster mother.

Strange and fascinating friendships are made on a motion picture lot, but probably few will be unearthed more interesting than that existing between Mabel Normand and the Indian woman Minnie. Long ago Minnie slipped away from her Oklahoma teepee to see a picture show—and then sat up far into the night penning missives to her adored. Later Minnie came to Los Angeles and went into pictures at the instigation of the Miller 101 ranch people, and one day, on "location," came face to face with Miss Normand.

Long since they had exchanged photographs; Mabel in her most shimmering summery dress, Minnie in her brightest blanket and oldest corn cob. Recognition was instant, and for half an hour frantic directors stormed and stamped without avail.

Then Minnie, without letting any one in on her secret, began a wonderful pair of moosehorns for Mabel Normand. Many days and nights she worked on them, and then one day a dream came true. Minnie got an offer to quit her job and join Mabel Normand's company to play Mabel's foster mother. Somehow she seemed always to have been that—it was the part for her. "Report at nine," the director admonished her—but Minnie was there at six. Among other things she brought the partly completed moosehorns, and between scenes labored on them. When you see Mickey you will see the moosehorns, too, for Miss Normand insisted on using them in all the scenes where high heels or bare feet were not imperative.

THE DOUGHBOYS HELD THEIR GROUND

From the moment that American commander said, "Retreat—hell, we just got here!" in answer to the importunities of the hard-pressed French, the American doughboys held every inch of ground they took. They are now holding ground in Germany. It cost them flesh and blood, comrades dead and wounded, to win and hold their ground. It is costing them the rigors of army life and the opportunity of getting back to paying jobs to hold the German soil where they are now.

Are you holding your Liberty Bonds? Or, are you giving up hard won terrain to the enemy?

The boys over there can't retreat. They have to stick. They will go farther into Germany, probably. They can't say the war is over and give up.

The least any American can do is to hold his Liberty Bonds—hold them out of respect for the men still under arms if for no other reason. When you sell a Liberty Bond or trade it for some stock, worthless or otherwise, you are retreating.

That American commander who said, "Retreat—hell, we just got here!" was American flesh and bone. Are you? Then hold your bonds. Put them in the bank. Borrow on them if you have to. But hold them.

THRIFT MEANS

1. Planning—taking into consideration the needs of yourself, your family, and your country, not only for the present but also for the future.

2. Spending wisely to meet important present needs—getting the most for your money today and having something left for the morrow.

3. Investing the savings—the part which the unthrifty spend to satisfy trifling or unimportant wants—so that you may grow with happy contentment all important future needs and opportunities that knock at your door.

War Savings Stamps hold your money for opportunity's call.

War Savings Stamps beget thrift. Thrift begets success.

War Savings Stamps bought with today's savings provide for the rainy tomorrow.

First Across Canada.

The first white man to cross this continent by a route north of Mexico, was Sir Alexander Mackenzie, a Scotsman who rose high in the service of the old Northwest company which was amalgamated with the Hudson's Bay company in 1821. Mackenzie was in the far West when he planned his trip across country to the Pacific coast. In the autumn of 1792 he led his party far up the Peace river where they built a post and wintered. On May 9, 1793, the party set out, passing up the Peace river, through the Rocky mountains, across to the Fraser river which was followed down stream for some distance, and then across country through an unexplored region, until the party came out on the Pacific coast. Mixing a quantity of vermillion with melted grease, Mackenzie wrote on the inland side of a high rock rising from the shore these words to mark his visit: "Alexander Mackenzie from Canada by land, the twenty-second of July, one thousand seven hundred and ninety-three. Lat. 52 degrees, 20 minutes. 43 seconds north." Mackenzie then retraced his course and returned to the East.

Saved by Their Horses.

An Australian Avoca writing home describes the sagacity of his horse. "It's wonderful how a horse knows danger in the firing line. During a recent push in Palestine my horse, for instance, understood exactly the difference between a shell coming over and one likely to land anywhere near our lines. When the buzzing of a Taube's engines has been heard in the distance I've known them to stampede and race for miles before they halted. But when the machine disappeared they turned back. I've patrolled close to Turkish positions on dark nights, and although there has been no sign of a hidden enemy my horse has suddenly reared, and the next second a shot from a nearby bush or cactus grove has rang out. Many a Light Horseman owes his life to this strange instinct amongst the hoofed Australians."

Too Busy Beavers.

The Canadian Pacific railway is experiencing difficulty at different places between White River and Cartier on account of beaver dams being erected and flooding its lands. At one place a dam was erected in the center of a culvert, and part of the filling had to be removed in order to do away with it. When this was done the beavers built another a little further down the stream, and this also had to be removed on account of the backwater.

It seems to be the general opinion that the government should declare an open season for a year and give the Indians and settlers a chance to dispose of the surplus beaver and otter. Port Arthur correspondence Ottawa Citizen.

"Every man is the architect of his own fortune."—Sallust.

"Thrift is one of the cornerstones on which manhood must be constructed."—Henry Ford.

Civilization was founded and still rests upon thrift.

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs clean and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 266 years GOLD MEDAL Haaren Oil has been relieving the weakness and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haaren Oil is included in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a small swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haaren Oil Capsules will keep you in health and vigor and prevent a return of the disease. Do not wait until old age or disease have settled down for good. Go to your druggist and get a box of GOLD MEDAL Haaren Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.
